SAMA Project
Part IV: in class W 14 Oct; due M 19 Oct

- In your search through Google, ArtStor, JSTOR, etc., surely you came across a statement or image relevant to your search term *or* your vase that caught your attention. Maybe it was a good explanation of your search term, maybe it was an interesting comparison to your vase, maybe something that suggested a direction of research you had not previously considered.
- Choose one statement or image that you think is particularly informative or interesting. It can be from any source.
- Add to your TLEARN posting (go to your museum image, click on the pencil/hand icon and write in the text box that will open up for you):
 - that quote
 - or a **link** to the image (if you post the image itself, it will erase your museum photo!) with an explanation of the relevance of that image to your vase/search term,
 - or a description of the image with an explanation of the relevance of that image to your vase/search term
- Also post a complete citation for the quoted statement or the image. Use *AJA* style:
 - <http://www.ajaonline.org/index.php?ptype=page&pid=5>
 - <http://www.ajaonline.org/index.php?ptype=page&pid=6> (citing electronic sources)
 - <http://www.ajaonline.org/index.php?ptype=page&pid=8> (abbreviations)
