SAMA Project
Part V: due F 23 Oct

- Based on your preliminary search through the sources — your skimming of the reference entries, titles, and abstracts — briefly discuss why the vase you chose is of interest to scholars. What kinds of issues does it raise? How does it fit into larger arguments?
- Based on your preliminary search through the sources, what other language(s) would it be helpful to know, in order to research this topic thoroughly? Or is the scholarship primarily in English?
- *Turn in your discussion of these two questions.*
